## Hot Topics

### Community Hospital Update - We've Got a Deal!

It was all "thumbs up" Tuesday night after city council's unanimous approval an interim lease agreement with Molina Wu Network. This paves the way to reopen Community Hospital this summer. The next immediate goal is for MWN to take over the hospital's State license by April 28th. The terms of the interim lease agreement require the City to contribute no more than \$25 million for Seismic Costs. However, KEY to the agreement is that payments will come in installments of \$1 million per year for the first five years, and \$2 million per year for years six through fifteen. To put \$1 million per year for an acute care hospital and ER in perspective, the cost of operating a single Paramedic Rescue Ambulance is \$1.3 million per year. You can read the council agenda item and view the PowerPoint presentation at these links: [Council Agenda Item](#) and [PowerPoint Presentation](#).
